STORY: THE THIRSTY CROW (ORAL)

It was a hot summer day and the crow was very thirsty. He searched for water everywhere. At last, he saw a pot of water. He looked inside the pot. There was very little water in it. The crow saw some stones nearby. He thought of a plan. He picked up some stones. He put more and more stones in the pot. The water in the pot came up. The crow drank the water and flew away happily.

Moral – 'Where there is a will, there is a way!'
