

# MOUNT LITERA ZEE SCHOOL, CHANDRAPUR

## Academic Session 2024-25

Grades: Nursery – 10

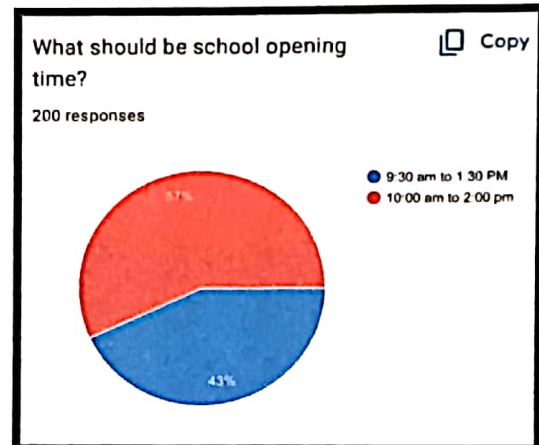

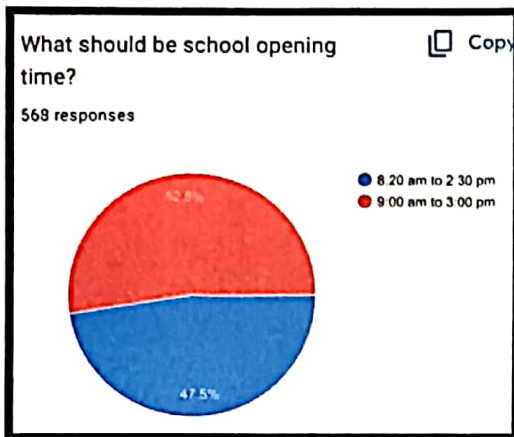

Date: 25/07/2024

Dear Parents,

We recently conducted a survey to gather feedback regarding the school timings, and I would like to share the results with you. Thank you to all who participated and provided their valuable input.

Here is a summary of the preferences expressed:

1. **Pre-primary (10:00 am to 2:00 pm) - 57% preference**
2. **Grade 1-10 (9:00 am to 3:00 pm) - 52.5% preference**

Based on these results, it is clear that there was significant support for both timing options. However, after careful consideration and reviewing all aspects, we have decided to maintain the current school timings.

We are grateful for your engagement and understanding. Your feedback is essential in guiding our decisions for the school.

Thankyou

Best regards,

Principal
