Notice : Regarding Consent for Scout Guide Registration

Dear Parents,

We are excited to register our Mount Literans for the Scout Guide programme.

Scouting Guiding is an educational movement for young people to shape and build their character through inculcating the values of self discipline, social service and patriotism. It teaches young person to become a good citizen of whichever country he/she belongs to.

The movement's purpose is to help young people develop their physical, intellectual, emotional, social, and spiritual potential.

The movement focuses on outdoor activities and community development. It also organizes rallies and utsav to promote compassion and universal brotherhood.

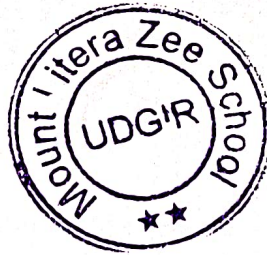

We believe these experiences are valuable for your child's development.

We kindly ask for your consent for your child to participate. Kindly give consent to the respective class teacher by tomorrow, (11/10/2024) by 10 am.

Thank you for your quick response for the registration by tomorrow.

Warm regards
