Dear Parents,

Health Information Form contains all the health details of your ward like vaccination, allergies, any health conditions that require medical attention.

You are required to submit this health form at the time of admission. In case your ward has developed any allergies or is suffering from any medical condition recently, then kindly submit the medical certificate and prescribed medicines to be used in emergency situation to our Infirmery In-charge, Ms. Sharda Deshbhratar.

Providing crucial health information to school will help us to take necessary actions in case any emergency arises. Kindly send this required information at the earliest possible.

Warm Regards

Principal
