

Dear Parents,

17.01.23

Kindly note that the Rubella Vaccination will be held on 20th January, 2023 from 10 am onwards in the school premises. As per the government's directives, it is mandatory for the child (studying in classes from Nursery to Grades 10) to take the vaccine (except in cases of serious medical concerns).

In this regard, the following points need to be noted :

- The child will be vaccinated by the government's health officials.
- After receiving the vaccine, students must remain for 30 minutes for observation.
- After that, the child will continue to take the normal classes.
- If any parent wishes, he/she can take the child to their home.
- School will get over at 2.30 p.m.
- Parents need to give their consent by writing a note in the Almanac by Monday positively.

Your cooperation is highly solicited.

Thank you and best wishes,

Principal
